## Personal Statement

I am currently in my first year at the University of Northampton doing a degree in Artificial Intelligence and Data science. My attendance at school/college and my part time job has always been high, I am a good problem solver, a hard worker and can multi-task well. I often see things in a different way to other people and therefore can find solutions to problems that other people can't see.

## Work History

**March 2023 – May 2024**  
**Broughton Astley**

**Front of House/Kitchen Assistant (Part Time) – Pink Berries Dessert,**

- Answering the telephone and taking orders.
- Meeting and greeting customers.
- Making a variety of desserts to a specified recipe.
- Working with team members to ensure an efficient and friendly service to the customer.
- Cleaning of all kitchen equipment to a high standard.
- Occasionally helping with food deliveries.

## Accomplishments

**Duke of Edinburgh** - Bronze Certificate Award

**NCS** - National Citizenship Service

Both of the above were rewarding as I got to learn new skills such as rowing and orienteering, volunteering and charity fundraising and getting to meet new people.

**Trampolining** – I have been part of the Rugby Trampolining Squad for about 10 years and I regularly compete in competitions in the West Midlands and have won several medals.
